Home-bound Communion

The first Sunday of every month is an opportunity for our church family to celebrate the life, death, and resurrection of Jesus Christ through partaking in the Lord's Supper. We want everyone who has placed their faith in Jesus Christ to have the opportunity to participate, but we are aware that some in our family are not able to get out due to bad weather or physical problems. However, our Deacons will be available to bring Communion to those who want to receive it on that Sunday. Please call the church office (786-1594) and let us know if you aren't going to be able to be in church and would like to have Communion in your home.

In January we received an email from Heather Askew, Jojo's Sanctuary, with an update on Isaac. The entire situation has been and is complicated but is summarized below.

Recently a new law passed that stateless children can access free or discounted health care. This is huge for Isaac as he doesn't have any documentation and is stateless. They received his card and was transferred, a few times, to different hospitals but landed at the Suandok hospital for the care he needs (this is a great hospital according to Heather).

In a single day at the Suandok hospital they were able to meet with three doctors and got six appointments scheduled over six weeks. He had an MRI, met with a cardiologist, blood work, CT Scan, met with a pediatrician, and met with the orthopedic surgeons to go over all the results and discuss next steps all in the month of January. All of the scans of his internal organs are normal.

Isaac's pediatrician said with this severe of a scoliosis case, it can influence so many other things in the body. So, with no medical history at all (he had so many caretakers in his early life and nobody ever took him to the doctor for any sort of checkups) she wants to get all the information she can so the surgeons can put together the best plan for how to do the surgery. If he has issues with other internal organs, they will need those specialists to assist with the surgery.

Due to the severity of this case the surgeon has been able to schedule Isaac's surgery for August 4 of this year! Between now and then he has a lot of appointments to prepare for the surgery but initially we thought he would have to wait another four years. Praise the Lord!

Upcoming appointments to be praying for:
February 17: fitting for a back brace to wear until surgery
March 3: kidney ultrasound to check function

God is amazing and his timing is wonderful-we give God all the glory. Thank you for your continued support and prayers. Isaac and his adoptive mom are so grateful and wish they could thank you in person.

Blessings, Heather Askew
