#### Stewardship

This coming month, as we as a church family move into this new year, we will be looking at what the Scripture says about what we do with the resources that the Lord has graciously given to each of us. Your generosity continues to be of vital importance so we can keep the church strong resource-wise for the new ministry opportunities we will have on the other side of Covid19. We are expecting that recovery type ministries will be much more important in this time - helping people to recover emotionally, spiritually, and financially.

The framework we will use in the sermon series is one that John Wesley, the founder of the Methodist church used when summing up what the Bible said about the resources God has given to us, "Earn all that you can, save all that you can, and give all that you can." The Bible's guidance on money and resources is very practical and timeless. We will start this series with Jesus' parable of the "shrewd manager" in Luke 16:1-13. This is a rather jarring parable where Jesus appears to endorse dishonesty. If you have ever wondered about this passage this will be a great opportunity to look a little closer at an invaluable message about using the resources the Lord has given to us. This parable will provide a "lens" for seeing what the Scriptures say about earning, saving, and giving.

In the following weeks we will look more closely at earning money, saving it, and finally living generously. During this time, we will be looking at the ministries that are continuing, the ones that will re-start with re-opening, and the new ones we feel the Lord has placed in front of us this coming year. In addition to the sermon series we will email a daily devotion for the month of January. You and your generosity are an important part of our ministry and vision for this coming year. Thank you!

Blessings,  
Pastor Paul

## Life Together

How do we share life together in difficult times? During his time in Nazi concentration camp pastor Dietrich Bonhoeffer wrote the book, Life Together. In it he gives us a glimpse of Christian community in unique and difficult circumstances. He shows us that Christian community is not only essential in our journey of faith, but that less than optimal circumstances requires that we use our God-given creativity to find ways of being there for one another. Beginning this Sunday we're offering a virtual coffee hour via Zoom at 11AM. We will have a host to help to engage us in conversation and prayer together. We will provide you a guide for navigating Zoom. It would be great to see you! Call me at 509-303-0765 or email at [pfredericks@charter.net](mailto:pfredericks@charter.net) and I will get you set up.

Blessings, Pastor Paul Fredericks

# REMINDER

The Building & Stewardship Team with the support of Session sent out a letter to update you on our Renovate campaign in early December. Renovate is our 3 year building renovation campaign that started in 2018. We were able to make many beautiful changes and upgrades mostly to our main floor that we have now been enjoying for 2 years. Please take a moment to read through the letter, pray, and respond. We appreciate your sacrificial giving that you have shown over the past three years. Call Bonnie or an Elder from Building and Stewardship Team if you have any questions. **Thank you.**

## PROMISELAND

Happy New Year from your  
Promiseland Team!

As we begin a New Year we find that our timeline for Video Promiseland has gone on much longer than we had hoped. We pray for the day when all our church family can be at worship in the church together and Promiseland can meet in person. Until that time, your PL Team will continue our video lessons on Facebook/YouTube and will do the best we can to faithfully share the gospel!

We are here for you!

Times are strange and staying connected can be tough. Please feel free to contact Jacki for - well - for anything and everything! (really!)

*We understand that this school year looks different and it's certainly not what you were hoping for. Please know, that EACH of you are in our prayers!*

Thank You

Daily Devotions

Thank you for your generosity in purchasing Christmas gifts and giving monetary donations towards groceries. We were able to help 14 families by providing them each a gift (or two) and a grocery gift card. We know God used our church family to bless others in our community.

Reminder:

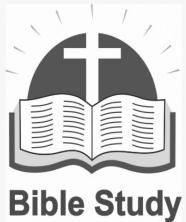

Our Daily Bread and Upper Room devotional books are available outside of the Yakima Ave entrance. They are stored in a clear plastic tote-please stop by anytime.

Do we have your email address? We have a great email program that we use for prayer requests, upcoming church events, volunteer needs, and weekly updates. If you want to be added please call Bonnie.

We still have plenty of school staff members (paras, teachers, admin, and others) within our church family that could use our support. Would you consider adopting one of them? What are the expectations of adoption? 1) intentional prayer specifically for that person 2) encouraging notes 3) checking in with that person through email or text or phone call 4) any other way that you can think of to support that person.

We are asking you to commit for the remainder of the school year as they navigate many changes and challenges. We are so grateful for the gifts God has given each one of them and this is one way we can encourage them and show our support. Call Bonnie if you are interested.

# PRAY

Bible Study

Bonnie would like to start another prayer group via Zoom. If you are interested please call or text her at 832-0682. Prayer group is simply sharing prayer concerns and praying over them. Bonnie usually prays for all of the requests just in case you aren't comfortable praying out loud or in a group.

## Eat, Pray, and Study

For those who want to go deeper personally and spiritually I am gathering a small group via Zoom at 7PM every Sunday to pray together and discuss the passage that was used in the sermon. In order to keep the discussion and interaction meaningful I will be limiting the size of the group to 10 people, but we have a few spots left. If you are interested email (pfredericks@charter.net) or call me (509-303-0765).

## SNOW REMOVAL

As winter has arrived we are looking for a few people who are willing to help remove snow from our sidewalks. We have a snow blower available here at the church. We would like to have a team of 2 or 3 people to make sure the sidewalks are always clear and safe this winter. Please talk to Bonnie if you can help with this.
