A walk down memory lane...

~2002~

In 2002 our church was actively searching for our next Pastor. We had over 100 applications and narrowed it down to five. When it came time to vote on Pastor Paul the congregation had 101 yes votes and zero no votes. Pastor Paul's first sermon was July 21, 2002 followed by a church potluck in the park. Paul's sermon title was "New Dreams" What are God's dreams for us? Genesis 28:10-22. Pastor Paul's installation service was August 11, 2002 with an afternoon service and reception to welcome him and his family. Heather was 11 years old, Nicole was 7, and Courtney was 4.

Paul has roughly preached over 1,000 times and continues to bring us valuable scripture-based sermons.

We are so grateful for Paul, Ellie, and the girls!

Home-bound Communion

The first Sunday of every month is an opportunity for our church family to celebrate the life, death, and resurrection of Jesus Christ through partaking in the Lord's Supper. We want everyone who has placed their faith in Jesus Christ to have the opportunity to participate, but we are aware that some in our family are not able to get out due to bad weather or physical problems. However, our Deacons will be available to bring Communion to those who want to receive it on that Sunday. Please call the church office (786-1594) and let us know if you aren't going to be able to be in church and would like to have Communion in your home.

Our church has a long standing history and relationship with Camp Ghormley. We have had many of our youth go as campers over many, many years and have even had some of our youth go as counselors. **Ghormley is very close to our hearts!** Ghormley offers Christian summer camp programs for youth and teens throughout central Washington. Christ-centered camp programming is the heart of who we are, with exciting camp activities, caring counselors, and engaging camp speakers throughout each session. Summer camp is a life changing adventure that will stay with your kids forever.

Summer is almost here and that means it's time to start thinking about Summer Camp!

Check out Camp Ghormley and register online at ghormleymeadow.org.

We have scholarships available! Forms are available in the office, in the narthex, or talk to Jacki.

Financial goal has been met!

Isaac, a 12-year-old boy in Thailand, was born with severe scoliosis. He was orphaned at a young age and his relatives lived in a rural mountain village and didn't have access to a hospital to treat him. His family moved to a community just outside of Chiang Mai City when he was about 7 years old, which is where Jojo's Sanctuary staff met him a few years later. They took Isaac and his family to get a medical assessment and the doctor determined Isaac needed intensive corrective spinal surgery in order to have a normal life. Due to Covid lockdowns and costs, the needed surgery was postponed, and during this time, his spinal curvature has become significantly pronounced.

UPDATE: *Through many generous donors in our church family, community, and beyond Jojo's Sanctuary has raised \$5000 for Isaac's surgery. Thank you for being a significant part of his journey through prayer and financial assistance. God is Good!*

Isaac had a doctors appointment in June and the doctor said he is not ready for surgery and needs about six more months of physical therapy. Prayers that Isaac will be diligent about his daily exercises and be encouraged by his family.
