From The Pastor's Desk

“Hope is on the way!”

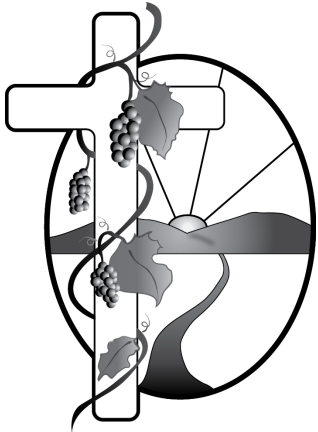

The Apostle Paul reminds us in Romans 5:5, “Now hope does not disappoint, because the love of God has been poured out in our hearts by the Holy Spirit who was given to us.” The Spirit of God is at work in our lives at all times and in all circumstances. This means we have hope in all that we face. We will be discovering and rediscovering this hope in our “Hope is Here” campaign that kicks off Sunday, September 19th. For four weeks we will be focusing together on this hope. That Sunday will be a big day with great worship, a meal after, and family style games. This will be a perfect time to invite and bring someone to church!

A couple of updates. First, kudos to the prayer team. They have been standing in the gap for us asking the Spirit of God to prepare the hearts and minds of all those He is calling to be here. Be looking for the ways the Spirit is working in your life and in the lives of those around you. Second, we want to provide the opportunity for people to share a time when the Lord gave them hope or when they had the chance to share that hope with someone else. Sharing this can be a significant step in your journey of faith and a great source of encouragement for others. We will come to videotape you and then include it in the worship service. Finally, towards the end of the worship service, we will have a time when those who want to commit or recommit themselves to the Lord can do that through baptism or renewal of baptism. If the Spirit is prompting you to get baptized or if you want to share about a time when the Lord has given you hope or if you just have questions, please feel free to give me a call (Pastor Paul – 509-303-0765). I would love to talk to you about it!

Blessings,

Pastor Paul

Home-bound Communion

The first Sunday of every month is an opportunity for our church family to celebrate the life, death, and resurrection of Jesus Christ through partaking in the Lord's Supper. We want everyone who has placed their faith in Jesus Christ to have the opportunity to participate, but we are aware that some in our family are not able to get out due to bad weather or physical problems. However, our Deacons will be available to bring Communion to those who want to receive it on that Sunday. Please call the church office (786-1594) and let us know if you aren't going to be able to be in church and would like to have Communion in your home.

If you haven't had a chance to pick up your copy of the new directory please let the office know. We would be glad to put one in the mail.

We will begin collecting general elementary school supplies and backpacks. If you would like to purchase these items we will have a collection area in the narthex. Items collected will be donated to Whitstran Elementary School. Thank you!

Last fall we asked our church family to consider adopting school staff members within our own church family. We would like to continue these adoptions for this coming school year. This school year will be challenging in many ways; covid guidelines, students/teachers being shifted to other schools temporarily, and making the move and adjusting to our new high school.

If you adopted a staff member last year we would simply ask to continue that support for this coming year. We have many school staff members (paras, teachers, admin, and others) within our own church family so if you would like to adopt someone this fall please contact Bonnie.

What are the expectations of adoption? 1) intentional prayer specifically for that person 2) encouraging notes 3) checking in with that person through email or text or phone call 4) any other way that you can support that person.

We are asking you to commit to the full school year as they navigate many changes and challenges. We are so grateful for the gifts God has given each one of them and this is one way we can encourage them and show our support.

Rejoice in hope, be patient in tribulation, be constant in prayer. Romans 12:12

Ready to adopt? Call or email Bonnie if you are interested. Thank you!
